Protect your car from the **unavoidable**

No matter how much you love your car, you can't keep the sun from shining on it. It's just gonna happen. Sooner or later, you'll drink a cup of coffee on the way to work, walk through a mud puddle, park under a bird or hand a toddler a sippy cup. Everyday life means everyday messes. You can't avoid them, but you can prepare for them with the Scotchgard™ Vehicle Protection Package.

From carpet to hood, we will protect your car from fading, stains and spills. And that's important because once damage is done, it's permanent. Scotchgard keeps your car looking newer longer — and, down the road, that'll help boost your resale value.
