

Vehicle Protection Package
PROFESSIONAL SERIES

APPLIED BY PROFESSIONALS

The technicians that apply our products are experienced professionals. They have the know-how to install the Scotchgard™ Vehicle Protection Package to the exact specifications of your car. They also have an expert understanding of Scotchgard products; by applying each one with precision and attention to detail, they'll ensure you get the full benefit of the products' protection.

Once applied, you'll love how Scotchgard helps your car retain its new car look, inside and out.

FABRIC PROTECTION

Stops stains from forming on seats

Treated

Untreated

- Spills settle on the surface rather than absorbing
- Liquids such as coffee, ketchup and milk wipe off easily
- Product won't alter the appearance of the fabric

LEATHER & VINYL PROTECTION

Protects the appearance of interior surfaces

Treated

Untreated

- Invisible barrier helps protect against the damaging effects of ultraviolet light
- Non-greasy formula produces a rich satin sheen

CARPET PROTECTION

Keeps carpet cleaner and fresher

Treated

Untreated

- Carpet fibers repel mud, dirt, slush, grease, etc.
- Messes clean up easily, before stains form
- Product won't alter the appearance of the carpet

PAINT PROTECTION

Improves the durability of exterior paint

Treated

Untreated

- Chemical bond helps protect against de-icing agents, tree sap, bird droppings, acid rain, etc.
- Treated finish helps resist weather-induced fading, paint oxidation and loss of gloss

WE'VE GOT YOU COVERED.
